

SIMULATION BASED EDUCATION WORKSHOPS

THE UNIVERSITY OF
NEWCASTLE
AUSTRALIA

These Simulated Based Education workshops are aimed at an introductory level of training on theories and principles of delivering Simulation Based Education and Clinical Skills Teaching.

Offering a number of streams, this series of workshops is designed to work in conjunction with a number of online modules.

Chameleon Simulation Centre will provide the following sessions throughout November.

UPCOMING DATES

- CSC1** The process of Clinical Skills Teaching™
Nov 17, 830-12pm (Includes morning tea)
This workshop is designed to provide you with principles of teaching clinical skills in an interactive format.
- CSC2** The process of using Simulation Based Education™
Nov 17, 1-430pm (includes afternoon tea)
This workshop is designed to provide you with principles of using Simulation Based Education in an interactive format.
- CSC3** Fast Track Scenario Design™
Nov 24, 10-12pm (includes morning tea)
Designed with the busy clinician/academic in mind, this course will enable you to create a peer-reviewed, validated scenario within 120 minutes.
- CSC3** Advanced debrief/feedback™
Nov 24, 1-430pm (includes afternoon tea)
This workshop will cover an in-depth look at debriefing and feedback in simulation.

NOTE: If you book back to back courses on the same day, complimentary lunch is included.

These sessions will be held on Level 4 of the Clinical Skills Training Centre at the John Hunter Hospital. <http://goo.gl/maps/YnCVS>
